

4 July 2019

Principal's Letter to Parents

Term 3, 2019

Dear Parents/Guardians,

Warmest greetings to all!

1. Thanksgiving: PL Alumni Achievements

Over the years, the post-secondary institutions have written to us to congratulate us on the successes of our Alumni who studied at their various institutions. We have collated the list of successful Alumni on our school website. We are very proud of the young ladies. I am very sure that the lists are not exhaustive. There are many other ladies who have experienced success in the different disciplines that they have been called to. We invite you to join us in thanksgiving. The list of Alumni provides our school with a rich resource of Alumni who can be called upon to share their stories and to help guide the current girls in their decision-making towards pursuing courses that best fit their interests and strengths.

2. July Theme 2019 – Honouring Our Youth

PL(Sec) seeks to build a culture of honour within our school. In the month of July, the girls learn to honour each other as *Youths*. They are encouraged to maximize opportunities in their season of 'Youth' and to grow themselves as good role-models for all. Our school collaborates with *Honour Singapore* (<https://honour.sg/>) to deepen the culture of honour.

On 20 July 2019 (Sat), our student leaders will be organizing an inaugural Student Leadership Conference. Entitled '*Women of Honour*', this conference will bring together girls from 10 schools. This will be a conference that is organised by girls, for girls only. We hope to see the girls growing in their confidence and in their leadership competencies. The girls across the different schools will also be sharing their own schools' best practices in (a) honouring their school; and in (b) honouring each other in school.

3. Details on the Early Admissions Exercise (EAE) - Poly (4E/5N students)

I am sure many parents will find it useful to know the processes involved in the EAE-Poly. This will enable us to better support our daughters. Temasek Polytechnic has come up with a very detailed guide for students who are interested in applying for the EAE-Poly.
