Good Stories : Celebrating tenacity & resilience

Chen Wenqi, Sec 4.2

In the face of life's challenges, Wenqi has showcased an unwavering commitment to learning despite facing some personal setbacks. After her father's sudden death in 2022 while working in Indonesia, she soon also had to deal with the passing of her grandmother, who had been a strong source of comfort. Despite the challenges, Wenqi demonstrated a strong and resilient character and tenacity in managing both the home and school front. She also has a much younger brother with special needs at home. She takes it upon herself to help him with his homework to ease the burden on her mother. In school, she had a positive influence on her peers and was sincere in her interactions with those around. She strived for excellence in her work and responsibilities and maintained a positive learning attitude. She was placed on the Dean's List - Character Development in 2020 and Dean's List - Bilingualism in 2021, in recognition of her exemplary character and academic performance respectively. A committed member of the Choir, she served as a dependable Section Leader. She was meticulous and ensured that everyone stayed on task. In her role as a member of the Prefectorial Board, she came across as firm, yet approachable.

Wenqi's success was not merely a stroke of good luck, but a result of her relentless determination and strong work ethic. She has secured her EAE offer to study Animation, Games and Visual Effects in Nanyang Polytechnic and is very excited for the opportunity to further her education in an area she is passionate about.

Zhu Yini
Sec 4.1

Good Stories : Overcoming adversity

Yini is a remarkable student, whose journey in life exemplifies the spirit of resilience we should all aspire to achieve. Growing up in a single-parent family, her young life revolved around her mother. Sadly, in July 2023, a mere 3 months before her national examinations, her mother passed away. Thus, leaving Yini in the care of her grandparents and close family friends. Instead of succumbing to adversity, she embraced it as a catalyst for personal growth and academic excellence. In her own words, she is motivated “to make my mother proud.”

In her time in PL, she was part of the team that participated in the East Zone A*Star Science Fair in 2021 and won the Bronze Award. Yini was also presented the Edusave Merit Bursary in 2022, which was given to the top 25% of each level and stream. Beyond the academic realm, Yini has proven to be an exemplary role model for her peers and has participated in numerous extracurricular activities. A dedicated and committed member of the Infocomm Technology (Media Production) Club, she was part of the Upper Secondary Executive Committee in 2022 and helped to plan the training in the use of the sound and Information Technology equipment for the CCA. She has always worked towards her personal goals in a determined manner and displayed the ability to think and reason well.

Her story reminds us that success is not solely defined by circumstances, but by the choices we choose to make and the resilience we exhibit in the face of these challenges. These are surely values that are at the heart of every PL-Lite. Indeed, she has truly made her mother proud.
